Some Prayers you may care to use

Lord be our focus.

When transformation of this world is far from linear... let us be patient.

Where the troubles of today appear to be greater than those of yesterday... help us to pray.

When the voice of your love is muffled by our selfish ways... may we repent.

Lord lead us.

Where the chance to do what is best for the Kingdom rests before us... come Holy Spirit.

When making tough decisions is harder than we imagined... give us courage.

Where the future looks so different to what is recognised in the present... increase our faith.

Lord bless us:

when we worship you... that we may be your blessing to others

where we live and dwell... that we may act kindly to all

when our race is run... that others will give you thanks.

In the Name of Christ, Amen.

.....

Holy and Gracious God,

meeting us in our beginnings today,

aid us as we serve you with life and love.

Help us to give thanks in all things

and may your Holy Spirit lead us in all our endings

to give you glory. In Jesus name,

Amen.

*"True prayer is measured by weight, not by length. A single groan before God may have more fullness of prayer in it than a fine oration of great length."*
